. . . Bowsher. We are the hands that open the pages of these books, unlocking the wealth of potential knowledge which they offer. We are the footsteps, the voices, the laughter echoing in these halls. We are the spirit that moves our athletes to victory. We are a unit of individuals striving together for excellence in ourselves and in our school. We are the today upon which tomorrow is being built.

Administration and Faculty

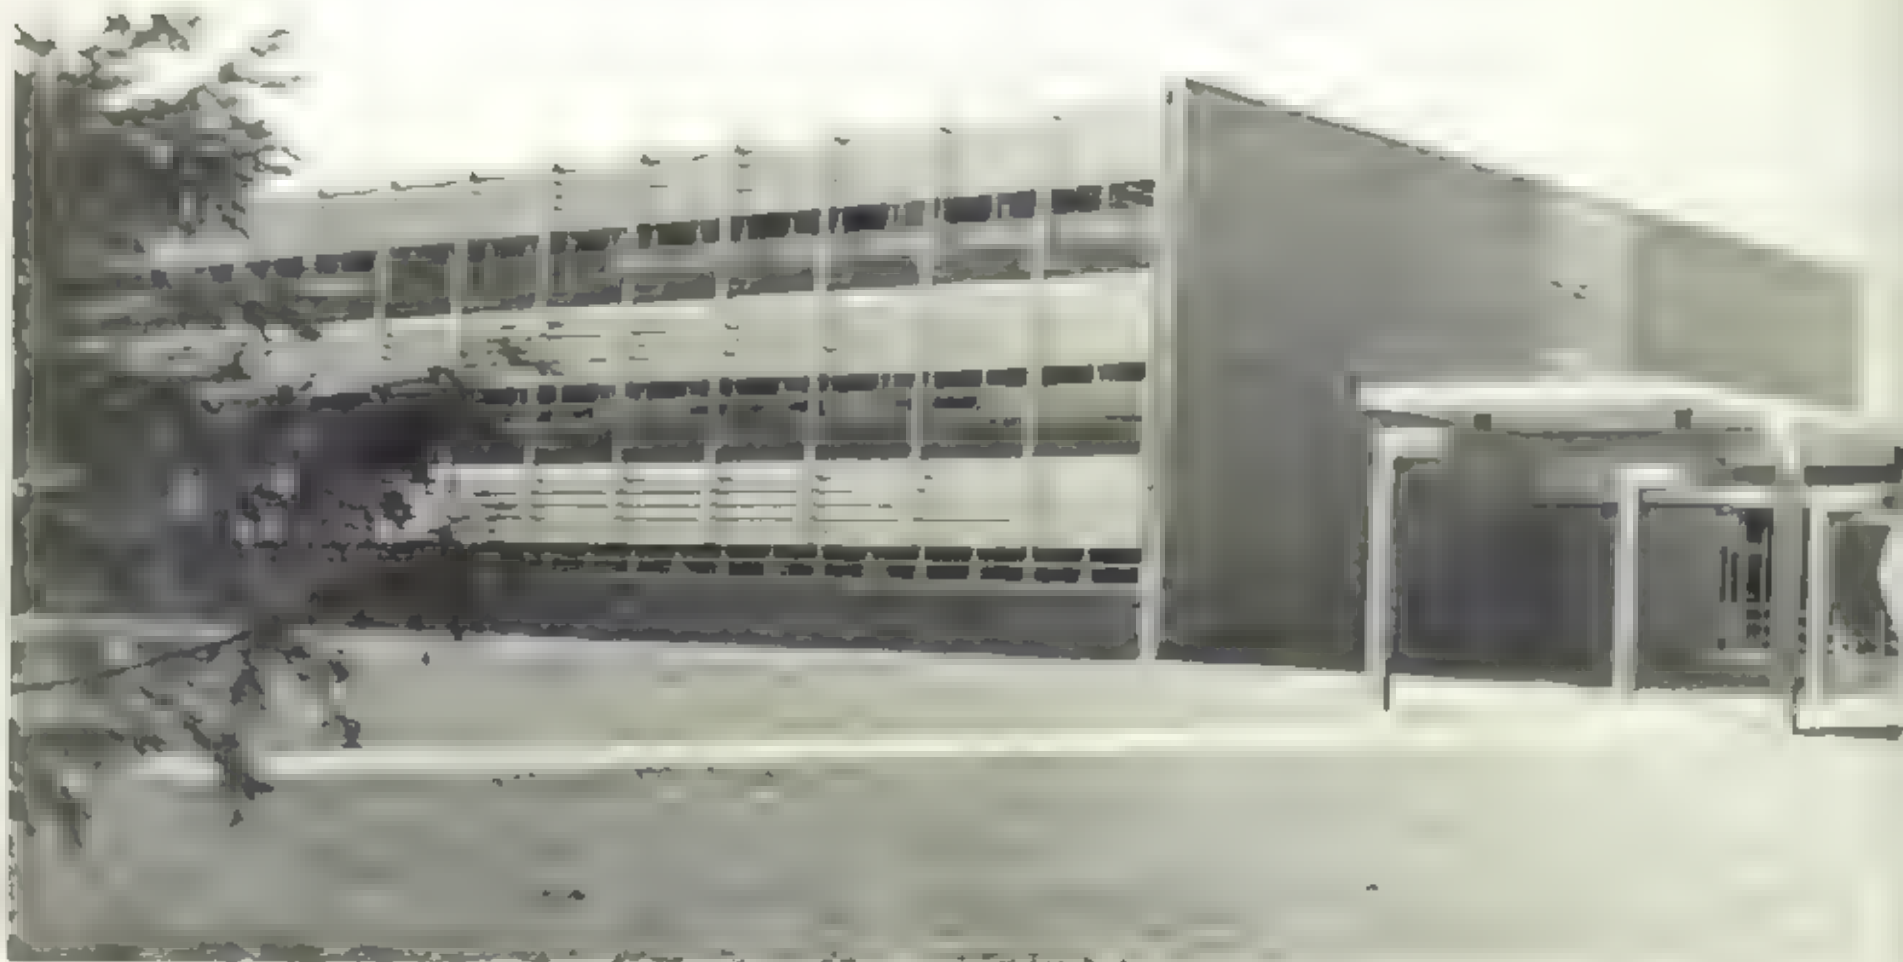

E. L. BOWSHER

E.L. BOWSHER

The students of Bowsher High School are proud to have our school bear the distinguished name of E. L. Bowsher. Seldom does one find a person so devoted to the betterment of our community. He served as Superintendent of the Toledo Public Schools for twenty-one years. Because of Mr. Bowsher's strong leadership we enjoy many achievements in our school system today.

We hope that we may earn the respect and further the ideals Mr. Bowsher's name bestows upon our school.

TO THE STUDENT BODY

As we finish our second year several important changes are taking place. We are beginning to develop the traditions and the public image which will be ours. Bowsher is now known to many as an outstanding high school, determined and able to serve the educational needs of our many students. Much of the credit for this good reputation which we enjoy belongs to the students.

High school years are not easy. In fact, the teen-years may be among the most difficult, but they should be very rewarding. I congratulate you on your many

accomplishments, both as individuals and as a student body.

We wish for our seniors continuing success as judged by the finest standards. Your high school will still be available to you to serve you in a variety of new ways.

To those of you who are returning next year, let me assure you that we will make every effort to create an even finer school for this community of which you are such an important part.

STUDENT COUNCIL

The Student Council is the backbone of Bowsher. Their sportsmanship campaign, clean-up week, and teachers' day were only a few fruitful attempts to develop attitudes of and practice in good citizenship, promote harmonious relations throughout the school, and provide a forum for student expression and an orderly direction of student activities. Besides these projects, the Student Council chartered all organizations, took charge of the annual magazine drive, and sold school jewelry and decals.

APOGEE

Bowsher's APOGEE office was easily recognized by its bulging wastebasket, confused files, and paper mountains where tables once were. The turmoil of a brand new staff setting about the business of creating the 1964 APOGEE has cleared now, however, and the staff can now look with pride upon their finished product, completed under the direction of Carol Keefer and Sandy Page, Co-editors and Mr. David Jensen, adviser.

CREST

Bowsher's CREST staff combined fun and many long hours of work in this year's issues. Their aims of informing, entertaining, and creating a link between the faculty and student body were fulfilled each time the bi-weekly paper was published. Editor-in-chief Dave Druce and Adviser Miss Osborn have guided the staff through another successful year.

PERICLEAN SERVICE SOCIETY

The aim of the Peries is to work for the betterment of Bowsher through any service which they may render, and through the high standards required of their members. These busy girls have shown that they aren't kidding by participating in the Toys for Tots collection and the annual leukemia drive, and by purchasing an activities board for the school. For fun there was the city-wide Perie tea at Start High School, and the Tri-Lit dance which the Peries had charge of this year.

We all knew that Christmas was just around the corner as soon as we spied the large Yule wreath which the Zets presented to the school. The objective of these active girls is to be of service to others and to promote a feeling of friendship and co-operation between school and community. Among the activities of the Zets this year were bake sales, the annual banquet, and the Tri-Lit roast in the fall.

VARSITY B-CLUB

The Varsity B Club was organized to encourage participation and excellence in athletics, and to bring together the varsity lettermen of various sports in order that they might serve the school as a group. In accordance with this purpose, they have undertaken a number of money-making projects throughout the year including selling programs and refreshments at the basketball games sponsoring a tag day. With the profits, these boys purchased equipment for the athletic department. Their main social activities were the Homecoming Dance and a swim party.

LA TERTULIA

The purpose of the Spanish Club is threefold: to learn more about Spanish-speaking countries, to encourage high scholastic ability among those students taking Spanish, and to promote a general awareness of Spanish life and customs. One of the primary activities of the club was the donation of money to the school landscaping project. Completing the roster of activities were two guest speakers who discussed the countries of Ecuador and Peru.

FUTURE NURSES OF AMERICA

A magazine collection for the aged and a scholarship toward the further education of a selected member are only a few of the services the F.N.A. performed this year. This club was a CREST patron and sponsored a fund-raising bake sale. The acquainting of its members with the opportunities of nursing and with the qualities and aptitudes essential to a good nurse was the purpose so well carried out by the F.N.A.

A.I.D.

The A.I.D.'s this year have been actively engaged in bringing their members into closer contact with the business world. This program provides such features as guest speakers and career information. A.I.D. members not only profit personally from this organization, but also serve the community through such projects as preparing gifts for patients at the State Hospital. An induction and awards banquet rounded out the A.I.D.'s annual activities.

THE EXPONENTIALS

The Exponentials, our newly organized math club, has succeeded in stimulating an interest in mathematics and providing an incentive for higher achievement in the classroom. They have worked to develop an appreciation of mathematics and to provide the necessary information relating to careers in math. As a service to the school, the Exponentials decorated the showcases in the lobby. They have had two speakers talk on "Careers in Math" and "Mathematics Systems." For recreation, they planned a spring picnic.

ORCHESTRA

One of the busiest organizations in school is the orchestra. Tag Day, school concerts, ensembles, a roast, and a beach party were among the many activities in which these people participated. From Bowsher's orchestra twenty-eight members participate in the all-city orchestra. Nine members are associated with Toledo Youth Orchestra.

CHOIR

Bowsher's choir started the year with new robes and a new choir director, Mr. Leslie Bennett. The first project of the year was the American Youth Performs Concert, given at school with the combined choirs of Libbey and Sylvania. This proved to be only the first of many successful performances. Our choir was heard on the television, at the Toledo Art Museum Peristyle and on many other occasions.

Drum Major Ken Myer, Center, and Majorettes, L. to R. Connie Pez, Nadine Morrison, Pam Miller, Jackie Pez, and Eve Hall. Marty Hainrich.

BAND

This year's band, under the direction of Mr. James Grabill, has done much to create an atmosphere of school loyalty by marching at football games, organizing a pep band to play at basketball games, and forming the pit band for Rebelees. They also held several concerts throughout the year in addition to playing for commencement. For their fund raising projects, the band sponsored a candy sale and a hobo supper with the proceeds applied to the purchase of new uniforms. These musicians took time out for socializing at their roast and beach party.

REBELEES OF 1963

A lot of work, fun, and talent added up to **A GHOST OF A SHOW**. In this first REBELEES production, the staging committees started from scratch with their own imagination and ingenuity to build a musical that Bowther would be proud of. The result was an exceptionally fine program, well planned and executed under the competent guidance of Miss Elizabeth Papps, faculty advisor.

Gayle,
So a real
sweet girl in
my gym class.
Have fun this summer
Bob!

To "one" of the girls that
always makes me late
for lunch. Good Luck in
the future, and please
study for your final exam.
A. L. Zwers

To Gayle,
My best friend I wish
you all the luck in the world
with Bob and all the other guys.
Good luck always,
Flanna

Gayle
I will always be your

Stay as cute as you are
I'll see you this summer

To Gayle, a girl I've
known for about a month,
but with whom I've had some
really wonderful times, and hope
to have a lot more. I know
you probably think we're going
to get together won't amount to
much, but like I've been
telling you give it time.
I know you know a lot of
other boys, probably a lot
better than me. I know you
care a lot about me, just
like I care a lot about you,
but as far as the other factor
I think you know what I
mean. That is on my
part it will take time, because
I don't believe in rushing things.
I don't know what you think
about me, but I think you're
a wonderful girl, sweet, clever,
and everything. Stay as sweet
as you are, and you better
never change. Sincerely,
Bob Richards

For

friends only say!

To a real wonderful girl. I hope every-
 thing will turn out for you & Bob.
 Be good Gayle & don't do anything I wouldn't do. May God Bless you & keep you always.
 Rosellie Menden

I wish you the best of luck in the coming years.
